

## Online Courses for Frontline Leaders

**Are those who manage & influence the health and safety agenda in your organisation aware of their responsibilities and adequately equipped with the essential knowledge to discharge their duties?**

### **Health & Safety Capabilities & Training**

Regulation 13 of The Management of Health and Safety at Work Regulations 1999 requires employers to provide all their staff with adequate training to enable them to fulfil their role safely. Nowhere in an organisation is this more important than for the front line Managers, Team Leaders & Supervisors who are expected to implement corporate policy and create a safe & healthy culture amongst the workforce.

Many organisations turn to the Institution of Occupational Safety and Health (IOSH) and their well-recognised Managing Safely programme as the training standard to provide the comprehensive knowledge base needed to effectively manage this challenging workplace issue.

### **IOSH Approved Open Training Made Easy**

Gallagher Bassett Risk Consulting (RC) have been an approved provider of the Managing Safely programme for many years but for the first time we are offering this as a virtual course running over 6 x half day sessions, to enable candidates to join the learning from home or the workplace whilst keeping on top of the day job.

Another first for RC is that these will be "Open Courses" allowing delegates from a number of organisations to join, so if you don't have sufficient numbers of candidates to make an "In-House course" viable, the people that need it don't have to wait to access this important learning.

Providing the course virtually enables us to deliver the materials in more digestible chunks and creates a safe environment where delegates can ask questions in confidence and without risk of embarrassment. This is an ideal course for new or recently promoted staff to get up to speed with their peers and you won't even need to organise a training venue, just ensure the candidate has access to an internet enabled PC with a camera and microphone, provide us with their email address and we will take care of all the admin.

### **Objectives**

Managing Safely is designed to provide all managers with the confidence and enthusiasm to apply knowledge to the workplace to improve the health and safety standards. The content is divided into the following seven modules and is formally assessed by an end assessment and the production of a work based risk assessment project.

Introduction  
Assessing risks  
Controlling risks  
Understanding responsibilities

Understanding hazards  
Investigating incidents  
Measuring performance

### **Who Should Attend**

Line Managers & anyone with a responsibility for the Health & Safety of others.

### **Location**

Your desk (via Cisco WebEx meeting platform)

### **Duration**

24 hrs over 6 x sessions (9.00am to 1pm) + 1 ½ hrs for end assessment

### **Cost**

£275 + VAT per delegate

### **Dates**

#### May 2021:

Thur 6<sup>th</sup>, Fri 7<sup>th</sup>, Thur 13<sup>th</sup>, Fri 14<sup>th</sup>, Thur 20<sup>th</sup>, Fri 21<sup>st</sup> & End Assessment Mon 24<sup>th</sup>

#### June 2021:

Tues 8<sup>th</sup>, Wed 9<sup>th</sup>, Thur 10<sup>th</sup>, Tues 22<sup>nd</sup>, Wed 23<sup>rd</sup>, Thur 24<sup>th</sup>, End Assessment Fri 25<sup>th</sup>

**Please note: these are two separate courses, one in May and one in June. Delegates must attend all sessions in their chosen course to sit the end assessment.**

For further information or to book a place on any of the above courses, please contact your Gallagher Bassett Account Manager or e-mail: [riskcontroluk@gbtpa.com](mailto:riskcontroluk@gbtpa.com)
